The assignee of the above-identified application, Alchemix Corporation, hereby notifies the U.S. Patent and Trademark Office that it no longer qualifies for small entity status in connection with the above-identified U.S. application.

The Assignee notes that the U.S. Patent and Trademark Office correctly recognized Assignee's status as a small entity on the Filing Receipt dated August 14, 2001. However, the Notice of Allowance and Fee(s) Due mailed on June 21, 2007, indicates Large Entity status. Applicants are submitting the Notification to clarify the record.

Respectfully submitted,
